

The **MAYDAY** mission is to encourage our youth to remain drug free! We offer support and encouragement to those that may be trapped in the grips of addiction. We make every effort to encourage them to transform their lives from addiction crisis to celebration of recovery. The MAYDAY event is sponsored by local businesses, churches, musicians, professionals, and volunteers from the community. Each of us are committed to work together to provide a much needed day of inspiration and education about addiction and prevention to our region. The MAYDAY partners of hope want to encourage people to talk about addiction, thus breaking the stigma and leading them to take the steps it takes to move toward the recovery process. The event will offer free booth space for any addiction support groups, addiction professionals, health care facilities, recovery community leaders and law enforcement officials as well as church groups that have addiction assistance programs in place to showcase what they offer. It is a day for the recovery community to come together to network and showcase the true blessings of recovery. This event is a family event designed to promote a drug-free lifestyle through uplifting music, education, community spirit, and friendship.

All are welcome!

LET'S DEVELOP
OUR LIVES
OUR COMMUNITIES
OUR IDENTITIES
WITHOUT DRUGS

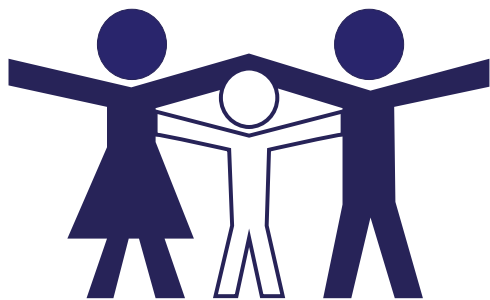

MAYDAY Addiction Awareness & Prevention Festival is a free family event

designed to promote a drug-free lifestyle through up lifting music, education, community spirit, and building recovery friendships.

Beginning at 8:00AM, John A. Holmes High Schools THP Project Purple group will kick off the event with a 5K Run for Hope. Educational speakers will begin at 10AM. Children's activities will begin at noon along with live entertainment presented by many talented local musicians. Informational booths will be set up to provide educational materials and support throughout the event.
